AUTUMN GIFT

Autumn Gift Breakfast Speaker

NZ Gift Fairs are delighted to present our inaugural Gift Fairs Breakfast with guest keynote speaker Michael Hill.

With his highly personal style of television advertising and his successful Australasian chain of distinctive jewellery stores, Michael Hill has become a well-known face and a legend in the world of retailing.

Michael is an inspirational, dynamic thinker and public speaker with a powerful fighting philosophy for success in your personal life or in your business.

He tells how he discovered the drive and motivation that got him to where he is today. Pulling no punches, he shares many of his secrets – personal motivation, strategies for personal growth, philosophy behind his retailing success, and much more.

We have 10 signed copies of Michael's latest book 'Toughen Up' to give away as Spot Prizes at the breakfast.
