

## Gift Magazine advertising

### Gift Magazine

Published three times a year for each fair, Gift Magazine distributes 8,000 copies, including over 5,000 magazines mailed in the lead-up to each fair. As an exhibitor, your business, product categories and brands are listed free of charge.

Gift Magazine is both a comprehensive directory for the show and an industry publication with the latest trends, technology, advice, ideas and the hottest new products for retailers to purchase.

Stand out with additional advertising and new product showcases to increase your profile and promote your presence at the fairs.
